# Weekly / Log Diary Day Free

A block-type weekly format that allows for light logging.

## Weekly page

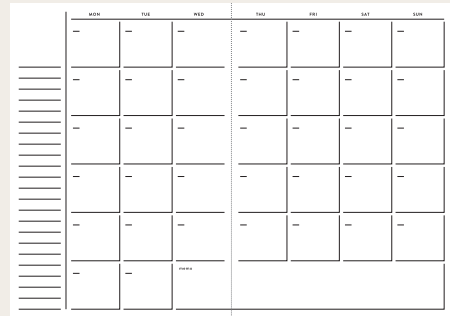

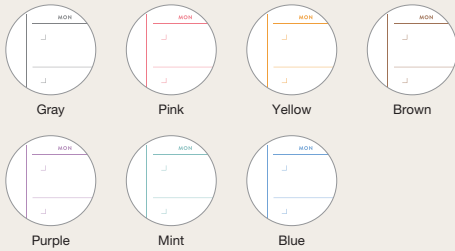

Ample title space and decorations can be made with vertical lines using masking tape, for example.

You can write weekly themes or to-dos.

A block format with a moderate amount of space, perfect for maintaining a light diary. Uses simple dot grid lines.

Different colored formats are used for the main text based on the color of the cover.

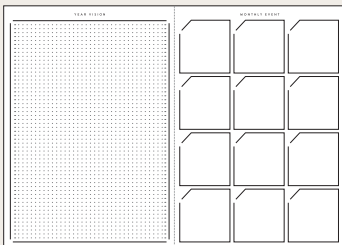

Monthly page

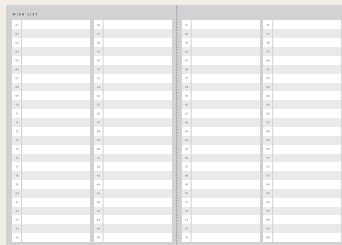

## Content pages to enjoy logging.

You can write down things you want to do, favorite items or experiences, places you want to visit, and more.
